

Sky falling on our heads

Analysis of material coming from the above

Mateusz Winiarski

Jagiellonian University
Faculty of Physics, Astronomy and Applied Computer Science

November 24th, 2022

Part I

Observation: Chemtrails

Contrails and chemtrails

History

Spraying mechanism

Not only engines

Part II

Realisation: Chemtrails do not exist

Contrails and chemtrails

History

Spraying mechanism

Not only engines

Thanks for your attention

Temporary page!

$\text{\LaTeX}$ was unable to guess the total number of pages correctly. As there was some unprocessed data that should have been added to the final page this extra page has been added to receive it. If you rerun the document (without altering it) this surplus page will go away, because $\text{\LaTeX}$ now knows how many pages to expect for this document.
